Trained on the nominal chain, tested on shifted ones
nominal test pool
neighbour coupling g −10%
neighbour coupling g +10%
global coupling h −10%
global coupling h +10%
twice the initial spread
80 pendulums
150 pendulums
one pendulum 1% weaker (2 mm longer)
sensor noise 3e-4 rad
sensor noise 1e-3 rad
sensor noise 3e-3 rad
v2 final
v1 rebuilt
